

# **The Wolfpack Engineering Unleashed Certificate Program**

**NC STATE UNIVERSITY**

# The Wolfpack Engineering Unleashed Certificate Program

## The program

The Wolfpack Engineering Unleashed (WEU) Certificate program recognizes the accomplishments of NC State employees which align with the mission of the WEU network to teach with the 6 C's.

Participants of this program are encouraged to grow and develop their pedagogy, teaching and learning with WEU concepts. This program celebrates this journey and its positive impact at NC State University.

## Eligibility

- > Anyone at NC State interested in improving and enhancing student engagement.

## Application process

- > 5 certificate levels (bronze, silver, gold, platinum and diamond) available with a set of milestones to complete.
- > Apply to the certificate, online, using the application form that corresponds to the level you want to apply for.
- > Links to the application forms are shared on page 4.
- > Applications are accepted year-round.

## Additional resources

- > Wolfpack Engineering Unleashed (WEU) website:

# The 5 levels of the WEU Certificate Program

## Bronze (Level I)

**Learn** the fundamentals of the 6 C's.

**Milestones:** A quiz and a reflection question.

## Gold (Level III)

**Publish** your experiences after implementing an activity or module.

**Milestones:** Share your published work.

## Platinum (Level IV)

**Coach** other faculty on integrating the 6 C's and **promote** the use of the 6 C's.

**Milestones:** Document your impact as a coach, a leader and/or a contributor to integrating the 6 C's.

## Silver (Level II)

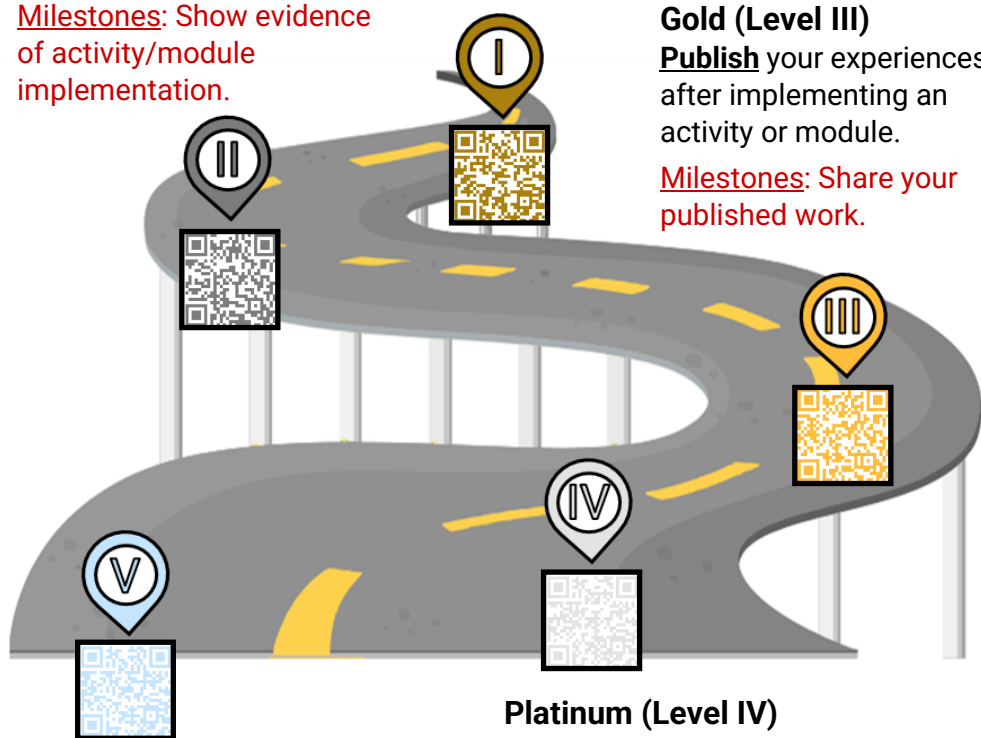

**Implement** one of the 6 C's in an activity or module.

**Milestones:** Show evidence of activity/module implementation.

## Diamond (Level V)

**Lead** the WEU program at NC State and beyond!

**Milestones:** Show leadership towards sustaining, growing and developing the WEU program, and create value for the WEU network and KEEN.
