The Engineer's Ring represents the spirit of pride in the discipline as well as the responsibility of the profession. During the ceremony, all engineering and computer science graduates will receive the Engineer's Ring and take an oath to uphold professional standards. In addition, graduates of engineering disciplines will be inducted into The Order of the Engineer national organization.

*The event is sponsored by the Office of Academic Affairs in the College of Engineering at NC State. There is no cost to attend; rings will be provided.*
