# ACCESSIBILITY IN STEM 2027 CONFERENCE

**JANUARY 5-7, 2027**  
NC STATE UNIVERSITY  
CENTENNIAL CAMPUS

We are excited to invite you to be part of our **Accessibility in STEM Conference** at North Carolina State University's College of Engineering, a groundbreaking event that brings together students, educators, employers and innovators to make STEM more inclusive and accessible for all.

**Whether you're an emerging tech company or an institution preparing the next generation of STEM leaders, your unique voice and perspective are vital.**

**You can support this effort as a Conference Partner or Sponsor:**

## SPONSOR

- Help fund accessibility services, outreach, or event logistics
- Share your commitment to accessibility, belonging, and opportunity in STEM

## PARTNER

- Contribute to conference development and community engagement
- Offer faculty or leadership to present or moderate
- Provide a suggested financial contribution of \$1,500 to help underwrite event logistics and outreach

## BENEFITS

**Showcase your leadership and values to a broad audience**

**Participate in networking, speaking, and knowledge sharing**

**Connect with talented students and professionals**

**We offer flexible options for sponsorship and participation. Please review the Sponsorship and Partnership Prospectus options below. Contact us at [engr-awe-office@ncsu.edu](mailto:engr-awe-office@ncsu.edu) to discuss how you can get involved!**
